

SYMPTOMsense™

Capabilities Roadmap¹

V1
SEP 20'

V2
DEC 20'

V3
MAR 21'

DETECT	Featured	Contactless	Accuracy	Featured	Contactless	Accuracy	Featured	Contactless	Accuracy
External Body Temperature			± 0.2 °C			± 0.2 °C			± 0.1 °C
Heart Rate			90%			90%			90%
Respiration Rate			90%			90%			90%
Blood Oxygen Level *Contact - using finger sleeve			± 0.5%			± 0.5%	Optional ³		
Blood Oxygen Level *Contactless									
Height Measurement *Suitable for children of all heights using a step stool (not included)			± 1 in.			± 1 in.			± 1 in.
Anonymous People Counter									
Weight				Optional			Optional		
ACCESSORIES									
Integrated Printer									
Ethernet									
O-T-A Updates									
Data & Analytics									
Wi-Fi									
5G Network Connectivity									
Metal Detection									
Wand *External body temp. & Blood oxidation									± 0.2 °C
Weatherproof (IP-67)									
8-Hr Back-up Battery									
CERTIFICATIONS									
CE Certified									
UL Certified									
QUALIFICATIONS									
CARES Act Funding									
ADA Compliant									

¹Capabilities and timing are subject to change.

²The contactless accuracy for Version 3 of SymptomSense™ is to-be-confirmed.

³Version 3 of SymptomSense™ Gateway performs all measurements using contactless sensors.
